

First Nation Resources on COVID-19

Links and Information

There are a number of sources of information on COVID-19. It is important to have reliable and factual information to make decisions that are best for your community. The following are links to resources from Indigenous Services Canada, Assembly of First Nations.

Indigenous Services Canada has developed a video featuring Chief Nursing Officer, Robin Buckland. The objective of the video is to provide information about COVID-19 testing and care and what to do if you are in a First Nations community.
